

All Hands:

Parents: This drill is EXTREMELY important not only is it our annual inspection but we are expecting some very distinguished guests as well, PLEASE help your leaguer be their best with hair cuts and uniforms squared away! We will provide lunch on Sunday only after the inspection.

National Headquarters has started a Suicide Awareness and Prevention Campaign, what it means for us is that we will have a presentation on Saturday afternoon, I encourage all parents to attend, for leaguers its a conversation around resources and how to have conversations with parents about difficult feelings. I realize that this is a heavy topic for younger teens but we feel that it is important and has impacted our Sea Cadet families. Please reach out to me one on one if you have concerns or would like further information about the presentation. 320-420-4222.

Fire Team Leaders- With Call outs Please remind your fire team members that they will need everything for their dress uniforms on Saturday as we will do a mock inspection before the real deal on SUNDAY!! They will be leaving their dress uniforms (Salt and Peppers) at the Armory Saturday night and will change in the morning prior to the inspection.

Number 2- winter gear will be needed for the bushcraft specialty they will be outside.

Number 3- You will need a lunch Saturday but the unit is feeding everyone on Sunday!!

Any questions or concerns please don't hesitate to get ahold of your fireteam leaders or myself. See you Saturday!!

LTJG Gregerson
